

Dear Sixth Grade Students,

You are invited to participate in the Annual 6th Grade Winter Olympics. The games will be held on Friday, February 3rd, 2017, from 6:30 pm until 9:00 pm. The opening ceremony will begin promptly in the gym at 7:00 pm. All of those attending will be placed on teams representing 8 different countries.

The teams will compete in traditional Winter Olympic events. Come out and test your skills in the infamous “North Wales Luge Run” or the “Speed Skating Course.” These are just two of the fun-filled competitions that will be held that evening. Come to have fun and cheer on your team! Good sportsmanship is expected and required!

EXTREMELY IMPORTANT NOTICE: *All persons participating must bring a helmet!*

For your own personal safety, you will not be allowed to participate in certain events without a helmet.

This is a special event for the sixth grade students and those parents volunteering as chaperones only! Sorry, but younger siblings are not permitted to attend. An email will be sent to parents with a link to a SignUp Genius website asking for volunteers for this event. Parents may not attend the event without volunteering.

In order to participate in the games, please have your parent or guardian complete and sign the attached permission slip. **ALL permission slips must be returned by Tuesday, January 31st, 2017. Please return the completed permission slip back to class.**

Any questions that parents may have, please direct them to Jasmine Snively at mjjsnively@yahoo.com or cell # (610) 324-9031.
